COL. ARTHUR H. GRIESBACH IS BURIED WITH MILITARY HONORS

Superintendent of Royal Northwest Mounted Police For Many Years, Who Died Last Tuesday in Victoria, B.C., is Laid to Rest in Edmonton Cemetery—21st Guard of Honor.

Colonel Arthur H. Griesbach, for whom Inspector Jennings, of the R.N.W.M.P., with Major Hopkins, who had died at Victoria, B.C., on Tuesday last, was laid to rest on Saturday afternoon in the Edmonton City Cemetery, with full military honors, represented in the funeral cortège by the service which he was so long and honorably represented, the Royal Northwest Mounted Police, and the soldiers of the Dominion in active service.

The body arrived by the afternoon train from Calgary and was taken to All Saints' Anglican Church, where the first part of the burial service was read. The service was then discontinued by the full strength of the 21st Guard of Honour, and the funeral car, covered with Union Jacks and bearing the coffin, similarly draped, followed by the band of floral tributes, walked the mass of the 21st Guard of Honour to the cemetery. The band of the 21st headed the procession, and the bugles sounded sweetly and tones of Chopin's "Marche Funèbre" were heard as the band deplored to the church, cast a spell of silence over the scene, and awaited the funeral at Jasper and Grey.

At the entrance to All Saints' the procession was met by the Right Reverend Dr. W. H. St. John, Bishop of the Diocese of Alberta, and the Lieutenant Governor.

The guard was formed by the Military Police under Major McPadden.

The band, the organ, the choir, and what it was in the cathedral, where after the committal prayer had been said, the bugles sounded the last post and the bugle call.

The chief mourners were Mrs. Griesbach, Lieutenant and Mrs. Thorne, and Mr. Griesbach.

Wreaths were placed on the coffin by the band, the organ, the choir, and the Griesbachs, the 9th Battalion, Captain Lawrence, Major Prinsen, I.D.E., and Major Prinsen, Captain, D.R.B., and the Royal Northwest Mounted Police.

At the end of the service, the band struck up the national anthems, and the bugles sounded the final note.

At the conclusion of the service, the band struck up the national anthems, and the bugles sounded the final note.

What you want is a kidney remedy, not a "cure-all," but a remedy for kidney trouble. That is why you find in Doctor's Kidney Pills. Mrs. Wm. L. Peck, of the Royal Northwest Mounted Police, created pleasure in telling you that I used Doctor's Kidney Pills for two years, and found them a great help. You would almost cry out with the pain.

With Doctor's Kidney Pills you'll get kidney trouble to go at once and get rid of it.

Doctor's Pills are the original kidney pill, they being on the market long before any other kidney remedy of the kind was ever thought of.

They are put up in an oblong glass.

The trade mark, a "Maple Leaf," is on a box for \$1.25, at all dealers or mail order houses, or by price of the T. McIlroy Co., Limited, Toronto, Ont.

Specify "Doctor's" when ordering direct.

LIVESTOCK IN KEEN DEMAND

John Bright and H. S. Arkell, Of Ottawa, Speak of Live Stock Industry

There is an enormous demand for live stock in the United States, and we can get the volume of supply to support that demand, there is an opportunity for us to make a very great financial return to Canada. The live stock industry is a live stock commission for Canada, on Saturday, when discussing the development of the live stock industry, the Dominion live stock commission, in their annual meeting at the Macdonald, on their way to the meetings of the Livestock Association at Calgary. Their visit to Edmonton was arranged by the department in this district.

Mr. Bright said that in the southern part of the province there was a great demand for good feed, and that the people were ready to pay the highest prices for well-bred animals, and that the demand was supporting the movement, that had for the time being stopped the importation of the agriculturalists to the importers of the grain and feed, and was taking a great interest in the market.

"They are beginning to see the value of the live stock," said Mr. Bright, "and this is a very happy sign of the times."

"If we can supply the demands of the old country now, add to that, there is the opportunity of establishing a permanent trade, this industry is a live stock industry, but to other industries.

Col. Harwood Chapter Holds Successful Party

The Red Cross treasury will receive \$1,000 from the chapter's recent ninety-first meeting, the sale of novelties, and the proceeds of a bazaar held on Saturday by the Col. Harwood Chapter of the Canadian Red Cross Society Jasper Avenue store.

The ladies were fortunate in having such a stand, and the bazaar was a success with the greatest eye to effect.

One of the novelties was a picture with a gorgeous background of tall pines, and a large white bear in the foreground.

Other articles were interspersed throughout the picture, and the face cream, which was very much in favor, was a great success.

KEEP THE KIDDIES WELL

Buy Rubber and Overseas For Their Little Feet and at the Same Time Save the Expensive Shoes From Injury by Water, Ice and Snow

The woman who has several little tots to provide with shoes will welcome the announcement that, through the efforts of the British Government, the price of rubber has been reduced so that the new shoes that keep the little ones' feet dry and comfortable cost less than other footwear does. Here's an opportunity for the other to keep the kiddies dry and warm, and at the same time save the expensive little shoes, that cost so much.

Mothers should buy rubbers this fall, and after the first frost, when the rain begins to fall, buy them again from rubbers, the expensive leather shoes. The economic woman will appreciate the fact that the new shoes will be a patriotic act, a service to the country, and every time she buys a pair of rubbers, 21

ON THE STAGE AND SCREEN

WHAT THE ADVANCE MAN SAYS

THE VARIETY THEATRE.

The current week's program at the variety theatre is one of entertainment that is rarely present on a single bill of vaudeville. Gruber's is the best example of this, nothing more interesting or entertaining than the performances of the stars of the repertory is true in the case of elephants.

Gruber's are the best example of the horse ponies and dogs, portraying their acts in a manner that is reaching to the kiddies and the grown-ups too.

The Wilson Brothers Joe, the fervent fun-makers of wide reputation, have established a reputation for the week, with the only act remaining that is more interesting than the performances of the stars of the repertory is true in the case of elephants.

The picture at the Somme pictures reaching Edmonton Sunday, and this picture is the best example of provincial government offered before being turned over to the Monarchs the first five days this week.

BRITISH COMMENT ON BATTLE OF THE SOMME PICTURES

The public should see these pictures, because they are the best ever taken of what the arm of war and what war means."—The King.

The sixth chapter of the Shilling Show was this presented under the heading of "The Disappearing Man," which shows the British "Shadow" playing mysterious role in the Metropolitan Five is a high-class musical comedy, with a quartet of vocalists and a pianist. They offer a pleasing instrumentation at every performance, and judging by the number of tickets sold for the opening night, the popularity of the recent engagement is evident.
